1. What is a Cookie?

Cookies are data, stored in small text files on your computer as you browse the web. In and of themselves, cookies are harmless bits of text that are locally stored and can easily be viewed and deleted. Cookies allows the website to “remember” your actions or preferences over a period of time

2. COOKIES ON THE COMPANY WEBSITE

The Company Website Use Cookies to provide the functionality you need to browse our Website correctly. We use Cookies to enable you to improve your user experience when using our Website. The use of Cookies helps us maintain security and verify your details, which enables you to avoid re-entering your details each time you visit our Website. They can also help ensure that ads you see online are more relevant to you and your interests. Cookies do not only help us recognize and remember you as a unique user when you return to our Website, but they also collect anonymous information for evaluation purposes to help us improve the structure of our website. We also use similar technologies such as Google Analytics, pixel tags and click redirect to fulfill these objectives. We use both our own (first-party) and partner companies’ (third-party) cookies to support these activities.

The Company’s Website Issue Cookies upon landing on our Website, unless the user has changed Cookie settings in their browser to refuse Cookies. Please note that with Cookies switched off, some areas of our Website and services may not be available to you and that you may not be able to login with Cookies disabled. The Company supports social bookmarking and with Cookies disabled this functionality may not be available. Other than as expressly disclosed in this Cookies Policy, the Company does not use Cookies to collect personally identifiable information about you; other than as expressly disclosed in this Cookies Policy, the Cookies we use only collect anonymous information to optimize our services and do not collect personal information.

3. CATEGORIES OF COOKIES STORED ON YOUR DEVICE WHEN BROWSING THE COMPANY'S WEBSITES,

The categories of Cookies stored on your device when browsing the Company Website include the following:

Essential Cookies: These Cookies are essential for the operation of our Website (such as features and accessing secure areas of the Website)). Without these Cookies, certain options on our Website may not be available. The essential Cookies are vital for us to use for the quality of our services to you.

Performance Cookies: These cookies allow us to count visits and traffic sources, so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site.

Functionality Cookies/ Traffic Log Cookies: We use functionality/traffic log Cookies to identify which pages are being used and to allow us to remember your preferences and to provide enhanced or more personal features. These Cookies remember choices you make to improve your experience. This helps us analyze data about web page traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes and then the data is removed from the system. We use this information to understand, for example, the effectiveness of our advertising and marketing.

Behavioral advertising Cookies (third party): We and third party advertisers use Cookies to serve you with advertisements that we believe are relevant to you and your interests. They also limit the number of times you see an advertisement and they help measure the effectiveness of an advertising campaign. These Cookies are used by targeted advertisements services to collect information about your browser habits and to deliver advertisements more relevant to you.

We may use third-party providers to help us determine which of our advertisements are most likely to be of interest to you. These providers may use behavioral information, such as how you navigate the internet, to provide relevant advertisements to you. No personally identifiable information is stored on these Cookies or web pixels. The information reported to us is aggregated and anonymous. We do not share any personal information gathered through

cookies on this Site with third parties but Local Sites may do so in accordance with their own cookie policies.

4. How to delete and block cookies

If you wish to block cookies, you may do so through your browser's settings. You can delete cookies that are already on your computer and you can set your browser to prevent them from being placed going forward. Please refer to the browser's help menu for further information. However, please bear in mind that disabling cookies may adversely affect your user experience on the Service. For more information on how to manage your cookie settings in respect of third party cookies please go to www.allaboutcookies.org
